WORK EXPERIENCE

Project Manager

BlueFrame Technology

- Coordinated development tasks, timelines, and follow-up to keep web application and business system deliverables on track.
- Tracked progress, identified blockers, and helped resolve project issues as they arose.
- Communicated requirements and status updates with stakeholders to keep work aligned and moving forward.
- Supported delivery through clear coordination, issue tracking, and team collaboration.

Full-Stack Developer

LeadsAgriventures - LAV, Calauan, Laguna

- Built and maintained full-stack web applications and business systems using React, Node.js/Express, PHP/Laravel, REST APIs, and MySQL.
- Integrated frontend interfaces with backend services and database workflows to support core system functionality.
- Resolved technical issues and implemented system improvements to improve stability and usability.
- Collaborated on project tasks, timelines, and delivery coordination across assigned work.

(Junior Full-stack Software Developer)

Malveda Properties and Development Corp. - MPDC, Biñan, Laguna

- Assisted in the development of marketing collateral, ensuring brand consistency across various channels.
- Conducted market research and competitor analysis, providing insights for strategic marketing decisions.
- Supported the implementation of SEO strategies, leading to a 20% improvement in organic search rankings.

Associate II (Budgeting Office)

Municipality of Calauan - Kanluran, Calauan, Laguna

- Encoded, organized, and validated transaction records from multiple departments for budgeting office use.
- Maintained physical and digital filing systems to support accurate retrieval and recordkeeping.
- Handled document organization and data entry with attention to accuracy, completeness, and accessibility.

Service Crew/ Assistant

Angel's Pizza, Sta. Cruz, Laguna

- Delivered frontline customer service in a fast-paced service environment.
- Coordinated with team members to keep service flow efficient and orders moving smoothly.
- Maintained an organized front-of-house workspace and supported daily store operations.
